Response to Notice to Comply with Sequence Disclosure Requirements

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant has considered the Notice to Comply with Sequence Disclosure Requirements mailed 21 July 2010 in the above-identified application. Applicants are electronically submitting herewith a .txt file containing the required replacement Sequence Listing via EFS-Web, along with a .pdf file representing the corresponding paper copy. The Sequence Listing sent as a .txt file matches the copy sent as a .pdf file submitted herewith. The present submission contains no new matter relative to the application as originally filed. Applicants respectfully request entry of the following amendment to the specification specifically directing entry of the Sequence Listing into the application.

Because 21 August 2010 falls on a Saturday, this response filed Monday, 23 August 2010 should be considered timely filed within the shortened statutory period.

Amendments to the Specification begin on page 2.

Remarks begin on page 3 of this paper.
